

January is National Radon Action Month. Radon is a radioactive element in soil. It is the leading cause of lung cancer for non-smokers. Stop in one of our three locations to get your discounted radon test kit for **\$7 plus tax while supplies last!** Click on the link to see a video from Air Chek (radon.com) for a simple demonstration on how to use the Radon kits: [https://www.youtube.com/watch?v=7kczfD-yLul&feature=em-share\\_video\\_user](https://www.youtube.com/watch?v=7kczfD-yLul&feature=em-share_video_user)
